

2018 WV State Park Lottery Hunts

Here is the latest information on the 2018 State Park Lottery Hunts. To apply, visit www.wvhunt.com and logon to your ELS account and follow the link for State Park Lottery Hunts or call the WVDNR license team at 304-558-2758.

Here are the rules:

- A **non-refundable** \$15 application fee is required for each application - due at the time of entering the lottery. (Withdrawal before the drawing date is allowed by calling the DNR License Unit at 304-558-2758, but the fee is not refundable.)
- Both groups of 2 and individual applications will be accepted. (The \$15 fee applies to either an individual or group application.)
- Each hunt spans 3 days and has different features regarding weapon allowed, number, and type of deer that may be taken. See chart on next page.
- Applicants may enter for multiple hunts occurring at different State Parks on the same days. If chosen for more than one concurrent hunt, the applicant will be given the opportunity to choose the one they want.
- Applicants may enter for multiple hunts occurring at the same State Park on different days.
- Applicants may enter for each hunt only once – either as an individual or as part of a group.
- A WVDNR ID is required to enter the lottery for all applicants.
- A license is not required to enter the lottery but **is** required to be purchased within one week of being contacted if selected.
- Applicants entering for the Twin Falls hunt who want to use a crossbow must possess a Class Y permit.
- The last day to apply is September 9, 2018.
- The drawing will be held on September 10, 2018.
- Notification will occur between September 14 through 21, 2018.

Note: If an applicant applies for several different hunts and is selected for two or more hunts that occur during the same 3 days, they must choose the one they want to attend. A multiple hunt winner cannot split the 3 days between two or more parks. However, if selected for multiple hunts occurring on different days, the hunter can participate in each 3-day event.
