

DEER Special Split Youth, Class Q/QQ and Class XS Season

October 21 and December 26-27, 2017: Antlerless Deer Only

Only one antlerless deer may be taken per day. A bow or a crossbow can be substituted for a firearm during this season.

See page 13 for special regulations for West Virginia Containment Area carcass transport and baiting, and for baiting and feeding wildlife on Older-aged Deer Management Areas.

It is illegal to bait or feed any wildlife on public land between September 1 and December 31 and during the spring gobbler seasons.

The special split antlerless deer season for youth, Class Q/QQ and Class XS hunters will be held on private land in all counties having a firearms deer hunting season and on all public lands within these counties.

The bag limit of one antlerless deer per day will not count towards the hunter's annual deer season bag limit. A Class N or NN stamp is not required by youth hunters hunting during this special split antlerless season. A Class N stamp is not required by seniors with a Class XS license. Each deer taken must be field tagged (see page 12) and electronically registered within 24 hours of the close of each portion of this special split season and before hunting an additional deer.

Youth, Class Q/QQ and Class XS season participants and all other hunters hunting on private land or on any of the public lands during the special youth, Class Q/QQ and Class XS deer season, with the exception of waterfowl hunters and persons engaged in farming activities on their own land, must wear at least 400 square inches of blaze orange as an outer garment.
