## **WV BIG FISH**

If you have a trophy fish caught from West Virginia waters it's wanted for the trophy fish display at West Virginia's National Hunting and Fishing Day event. There are some real Monster fish swimming in Mountain State waters, and each year the West Virginia Wildlife Federation and the West Virginia Division of Natural Resources showcases trophy fish legally caught from West Virginia waters at the National Hunting and Fishing Day event. This year's event is September 28 and 29, 2013, at Stonewall Resort State Park near Weston in Lewis County. This will be the sixth year that a West Virginia trophy fish display of mounted specimens has been exhibited in conjunction with West Virginia's Celebration of National Hunting and Fishing Day, and every year the display has added a tremendous attraction to the two day event.

This information can also be found on the West Virginia Division of Natural Resources website at [www.wvdnr.gov](http://www.wvdnr.gov). Look under "Special Opportunities, National Hunting & Fishing Days." Participation will be limited to 25 qualifying trophy entries to be determined by the selection committee; no more than five individuals of any species will be accepted. As an incentive for participation, each angler who displays their trophy fish mount at the two-day event will be eligible to win one of five \$100 gift certificates. Prizes will be randomly picked, thus giving each entrant equal opportunity to win.

Interested anglers who have qualifying fish mounts should contact **James Walker** at 304-924-6211 between 9 a.m. and 4 p.m. or [James.A.Walker@wv.gov](mailto:James.A.Walker@wv.gov) for additional information or a registration form.
