

Commercial Whitewater Gauley Guide Sheet - 40 Runs (Summersville Dam to Mason's Branch)

It is the responsibility of commercial whitewater outfitters to keep on file copies of all guide trainee, guide, and trip leader information sheets for each employee that cover the river sections and levels of responsibility (Guide or Trip Leader) each employee works. It is NOT necessary to maintain additional records other than additional completed sheets for each new section or Trip Leader section a guide adds to their qualifications. Please note that the Gauley River requires additional qualifications and, thus, separate guide and Trip Leader sheets for the section from Summersville Dam to Mason's Branch.

Per West Virginia Code of State Rules §58-12, Section 12.1, a Commercial Whitewater Guide shall:

12.1.1 "Be at least eighteen (18) years old, unless approved in writing by the director;"

12.1.4 "Have completed a minimum of forty (40) commercial whitewater expeditions in a raft on a river in which a commercial whitewater guide is required in every raft, two (2) familiarization trips and one (1) evaluation trip in order to be qualified on th Gauley River between Summersville Lake and Mason's Branch. The second familiarization trip may count as the evaluation trip."

All whitewater trips relied upon for qualification must be shown on this form.
