

-Leaf Wreath-

Materials Needed:

- Various leaves of different colors
- Scissors
- Paper plates
- Glue
-

Instructions:

1. Take the students on a walk and collect fallen leaves.
2. When you return from your walk cut a large circle out of the middle of your paper plate, leaving the edges intact, this edge should be about 1-2 inches thick.
3. Glue on the leaves that you collected from your walk onto your paper plate. Make sure that you glue enough leaves where you don't see any of the paper plate left.
4. Cut a piece of ribbon to the size of the bow that you desire, tie your bow and glue it to the top or bottom of your wreath.
