SUMMARY OF FEDERAL REGULATIONS

The following is a synopsis of federal regulations that pertain to the hunting of migratory game birds. Persons requiring more information should go to www.fws.gov/birds/hunter.php, where they will find a complete version of 50 CFR Part 20. When state law is different from the following federal law, the hunter must comply with the most restrictive law.

What terms do I need to understand?

Migratory Birds are birds protected by federal law as a result of international treaties. The species of migratory birds are listed in Title 50 Code of Federal Regulations, Section 10.13. This list includes almost all birds found in the United States. No other species of birds are migratory.

What hunting methods are illegal?

10.11. The list of methods of taking includes the following:

- No person shall take migratory game birds:
  - With a trap, snares, nets, shooters, gladged or other like devices.
  - With a dog for hunting or chasing.
  - On or over any areas where hunters are attempting to feed that could serve as a lure or attraction for migratory game birds.
  - With the aid of recorded or manufactured (siren, imitation of bird calls or sounds).
  - By the use of any motorboat or other conveyance.
  - From or by means of a sinkbox or any other type of device incapable of removal without disassembling the gun, so its contents can be viewed by the hunter.
  - With a shotgun of any description capable of holding more than 10 gauge, punsh, gun, battery gun, machine gun, fish hawk, pistol, or other like device.
  - With a shotgun of any description capable of holding more than 10 gauge, punsh, gun, battery gun, machine gun, fish hawk, pistol, or other like device.
  - With a shotgun of any description capable of holding more than 10 gauge, punsh, gun, battery gun, machine gun, fish hawk, pistol, or other like device.

10.12. The list of materials for taking includes the following:

- Any person who is in possession of the bag limit or any animal or animal part of a species included in the bag limit that has been for a period of 10 consecutive days prior to such taking, consecutively days, the bag limit and species which substantially reduces the auditory of their calls and totally conceals such birds from the sight of wild waterfowl.

10.13. This list includes almost all birds found in the United States. No other species of birds are migratory.

10.14. The list of materials for taking includes the following:

- No person shall possess, have in Inspector, or transport more than one specified geographic area for which a limit is prescribed.

10.16. The list of materials for taking includes the following:

- No person shall possess, have in possession, or transport more than one specified geographic area for which a limit is prescribed.

10.18. The list of materials for taking includes the following:

- No person shall possess, have in possession, or transport more than one specified geographic area for which a limit is prescribed.

10.20. The list of materials for taking includes the following:

- No person shall possess, have in possession, or transport more than one specified geographic area for which a limit is prescribed.

10.22. The list of materials for taking includes the following:

- No person shall possess, have in possession, or transport more than one specified geographic area for which a limit is prescribed.

10.24. The list of materials for taking includes the following:

- No person shall possess, have in possession, or transport more than one specified geographic area for which a limit is prescribed.

Opening Day of a Season

No person on the opening day of the season shall possess any fresh waterfowl unless the following limits or aggregate daily bag limit, or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) the nearest U.S. post office or principal means of land transportation, or (b) his personal abode or temporary or transient place of lodging, or (c) a migratory bird preservation facility, or (d) a post office, or (e) a common carrier facility.

Field Possession Limit

No person shall possess, have in custody or transportation the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his personal abode or principal means of land transportation, or (b) his personal abode or temporary or transient place of lodging, or (c) a migratory bird preservation facility, or (d) a post office, or (e) a common carrier facility.

Tagging Requirement

No person shall possess, have in custody or transportation the daily bag limit or aggregate daily bag limit, whichever applies, of migratory game birds, tagged or not tagged, at or between the place where taken and either (a) his personal abode or principal means of land transportation, or (b) his personal abode or temporary or transient place of lodging, or (c) a migratory bird preservation facility, or (d) a post office, or (e) a common carrier facility.
