

# GET INVOLVED

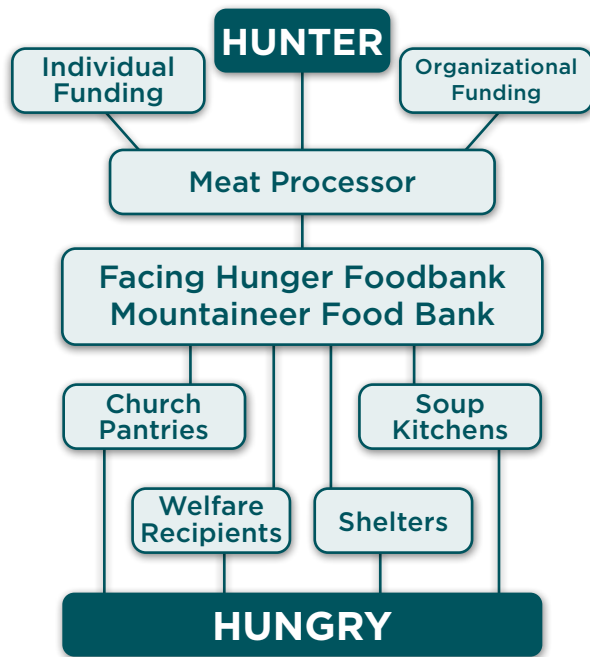

Many people are involved with the Hunters Helping the Hungry (HHH) Program, but participation by hunters and West Virginia meat processors is the key element to its success.

## Participation

From the first day of any deer season until December 31, hunters who legally harvest a deer and wish to donate the meat to HHH can deliver the deer to the nearest participating meat processor. Acceptance of the deer is subject to each meat processor's schedule. Calling the processor in advance is strongly encouraged.

The meat processor will skin the deer; debone and grind the meat (no other cuts); freeze it in two-pound packages; and hold for pick-up by the Mountaineer Food Bank in Gassaway or the Facing Hunger Foodbank in Huntington.

These food banks are the only certified West Virginia members of Feeding America, a national network committed to feeding the hungry. Both are nonprofit organizations that distribute the ground venison to the needy through their network of qualified charitable agencies.

## Donations

Hunters Helping the Hungry (HHH) provides thousands of pounds of venison to hungry West Virginians each year. Although the Wildlife Resources Section of the West Virginia Division of Natural Resources coordinates and publicizes the HHH program, state law prohibits spending license fee income on food processing and distribution costs.

Meat processing costs \$2 per pound and the average deer provides 35½ pounds of ground venison (approximately 142 meals). Food banks are paid only for pickup and distribution costs.

The program is funded solely by the generous donations of caring individuals, businesses and organizations, including the West Virginia Council of Churches and Governor's One Shot, Inc. Their generosity enables the program to fulfill its mission to:

*"...provide balanced, healthy meals  
for the less fortunate of West Virginia..."*

The Wildlife Resources Section makes an urgent appeal to all West Virginians who are able to help to make a tax-deductible donation to the HHH program.

## SHARE THE HARVEST SUNDAY

November 6, 2022\*

In conjunction with the West Virginia Council of Churches, the West Virginia Division of Natural Resources, Wildlife Resources Section has designated Sunday, November 6, 2022, as Share the Harvest Sunday. Congregations throughout the state are encouraged to collect donations to keep HHH alive and growing. All donations are greatly appreciated and provide high-quality meat for those in need.

All donations go to help pay for processing of hunter-donated deer and associated distribution costs. The processed ground venison is distributed to charitable agencies throughout the state to feed West Virginians in need.

Hunters and other concerned individuals are asked to encourage their churches to participate in this worthwhile endeavor to help the HHH program fulfill its mission to provide balanced, healthy meals for the less fortunate of West Virginia.

**Since its inception in 1992,  
HHH has helped to provide  
1,439,388 meals for  
West Virginians.**

*Mail donations to:*

**Hunters Helping the Hungry**  
West Virginia  
Division of Natural Resources  
163 Wildlife Road  
French Creek, WV 26218

For more information contact the
