R.D. BAILEY WILDLIFE MANAGEMENT AREA

Wyoming & Mingo Counties, West Virginia

This map illustrates the R.D. Bailey Wildlife Management Area (WMA) in Wyoming and Mingo counties, West Virginia. The area is characterized by rugged terrain with numerous creeks and rivers, including the Gauley River, Cheat River, and their various forks. Key locations such as Leatherwood, Cub City, Simon, and Baileyville are marked. The map also shows major roads like US Highway 80 and State Route 97, along with local county routes. Various facilities are indicated by symbols, including campgrounds, hunting access parking, shooting ranges, offices, and gates. A legend on the right side provides a key for these symbols and road types. A scale bar at the bottom indicates distances up to 2 miles.
